TOMORROW TO BE DOLLAR DAY IN MAYSVILLE

Our merchants have been receiving goods for some time which will be put on sale for One Dollar.

Dollar Day, while a new event for Maysville, is not an experiment. In the large cities they have a Dollar Day three and four times a year.

On these days the public is offered exceptional values in all articles of wearing apparel and necessities of life. The success that attends this Dollar Day will serve as a barometer to the business men as to whether the citizens of Mason county desire more of them.

A special invitation is extended to our rural neighbors to attend. Bring your families and meet your friends.

"AUNT" HARRIET TO BE TRIED FOR LUNACY

"Aunt" Harriet Gilmore was taken in custody by Officer D. P. Bloomhuff at the Postoffice yesterday and was bound over to the Circuit Court on the charge of lunacy. "Aunt" Harriet was annoying the Postoffice clerks quite a bit by threatening them with dire revenge if they did not give her the important letters she was expecting from the government. She has also been stopping the street cars and wanting the money which she claimed they were going to give her. She has been a care on the city for some time, but being a harmless, kindly old colored woman no steps had been taken to put her in an asylum.

A TELEPHONE THAT FINDS THINGS

Col. Eddie Smith of the Maysville Gas Company this morning was out with a telephone dings that actually finds things. They "lost" the meter on Third street near market and this instrument is a wireless outfit that locates it. It consists of a hearer, a listener, a finder and a buzzer, and when you get over the spot where the pipe is the buzzer quite buzzing.

Tired Nervous Mothers

Should Profit by the Experience
of These Two Women

Buffalo, N. Y.—"I am the mother of four children, and for nearly three years I suffered from a female trouble with pains in my back and side, and a general weakness. I had professional attendance most of that time but did not seem to get well. As a last resort I decided to try Lydia E. Pinkham's Vegetable Compound which I had seen advertised in the newspapers, and in two weeks noticed a marked improvement. I continued its use and am now free from pain and able to do all my household work."—Mrs. B. B. ZIELINSKA, 202 Weiss Street, Buffalo, N. Y.

Portland, Ind.—"I had a displacement and suffered so badly from it at times I could not be on my feet at all. I was all run down and so weak I could not do my housework, was nervous and could not lie down at night. I took treatments from a physician but they did not help me. My Aunt recommended Lydia E. Pinkham's Vegetable Compound. I tried it and now I am strong and well again and do my own work and I give Lydia E. Pinkham's Compound the credit."—Mrs. JOSEPHINE KIMBLE, 935 West Race Street, Portland, Ind.

CHAUTAUQUA

To Be Held Here From June 28 to
July 5—President Is Boosting
Chautauqua Movement.

Secretary Carl Dodds of the Chamber of Commerce received the following letter yesterday setting dates for the Chautauqua this year:

Mr. Carl Dodds, Maysville, Ky.

Dear Mr. Dodds:

In former years one of the most difficult features of arranging an entire circuit of towns for a Chautauqua program, has been to get the date to come somewhere near being satisfactory to all parties concerned.

We know that you realize that the great economies of the circuit plan which saves more than 100 per cent. over the old "Independent Chautauquas", are possible because you allow us to select the program and arrange the schedule. We have no other desire than to please you, it is our interest, but it is necessary to keep in mind that we are furnishing Chautauqua to over 160 towns and that it is no small task to arrange everything to suit everybody.

This year over half the trains have been discontinued thus more than doubling our usual difficulties.

We make this explanation that you may know something of the complications we must overcome. With these things in mind and after weeks of work we have fixed your dates as June 28 to July 5, inclusive.

It is more necessary than usual that our printers start the dating of the advertising soon. Much of the actual printing is now complete. Unless for some unexpected reason, such as the refusal of the railroads to handle our equipment to conform this schedule, we will consider these dates as settled. If any correspondence is necessary with your committee, it will have to be within the next week.

Our program we believe will set a new high-water mark this year. The correspondence with our towns betokens more enthusiasm than usual since President Wilson and the Government has come out squarely behind the movement.

We join the President Wilson in "Expressing the hope that you will let no discouragement weaken your activities and that the people will not

fail in their support in a patriotic institution that may be said to be an integral part of the national defense."

Sincerely yours,
COIT-ALBER CHAUTAUQUAS.
(Signed) Thos. V. Hendricks, Sec.

CLOSE OF Y. M. C. A. BIBLE STUDY CLUB

Wednesday afternoon, April 17, 1918, marked the close of the Y. M. C. A. Bible Study Club in Maysville High School. If this first year is any indication at all we are positive that in the succeeding years Maysville High School will surely go "over the top" of the Y. M. C. A. ladder.

This club was a very discouraging organization at first because most of the boys thought that they would be branded as "sissies" and were afraid to do the right thing because of a few slackers, who can be found in every organization under the sun. But after much persuading on the part of the president and secretary, this club proved to be a decided success. Starting out with about fifty members, this was soon increased to eighty.

The boys of Maysville High School should feel very fortunate in having such a splendid leader, by whom they could guide their steps. Mr. E. M. Baber our district Y. M. C. A. Secretary and Mr. H. C. Curran, our local leader.

Too much credit cannot be bestowed upon our district Y. M. C. A. Secretary for his interest and watchfulness over all the schools in his district. When we say this we are sure we are voicing the opinion of every Bible Class member in this district. So let us give him big hugs for Mr. E. M. Baber letting him know that next year we, the boys of the district, intend to make ours the banner one, if we haven't already.

Now boys we come to our local teachers, Mr. H. C. Curran. Words can not express his value to us as a whole. Mr. Curran has given up his time for one hour each week to come over and show us the right paths of life. We can easily say that the boys of Maysville High certainly showed very much discretion for choosing such a fluent and eloquent speaker. Here's hoping that the boys of future Y. M. C. A. classes will use as much judgment in their selection. We, as students of Maysville High School, wish to publicly thank him for we think we have privately, for his inestimable service to us.

Wednesday afternoon closed this profitable study course by an examination, submitted by the Y. M. C. A. board of the state. Ten out twelve questions were chosen and sixty-three students took the exam.

One more word before the questions. We feel sure that this little club in M. H. S. will prove to be in after years the nucleus of a Y. M. C. A. Club in Maysville. These lessons entitled the "Soldiers Spirit" have instilled that self same spirit into our hearts. We hope that the boys of future generations will reap the benefits of the club formed in 1918.

The following are the questions submitted any ten out of twelve:

1. Name six qualities that should be very essential in the spirit of being a soldiers?
2. What are the records of preparation to the soldier?
3. Discuss in your own words the importance of the manner in which a soldier spends his time when off duty, both from the obligation to himself and his country. Discuss the same question as to a High School boy and his school?
4. To what extent if at all, is a man responsible to others for the way in which he uses his money?

5. "Neither a borrower nor a lender be; for loan often loses both itself and friend, borrowing dulls the edge of husbandry."

6. What two courses are open to soldier after having enlisted in a righteous war?

7. Why is a war a great leveller of men?

8. Quote a promise made by Jesus with reference to prayer.

9. Should we seek revenge on the enemy? Give Paul's answer.

10. Discuss the need of personal evangelism in the army and tell why more of it is not done in your school.

11. What are some of the principles of personal evangelism and how should you begin?

12. How can a fellow meet temptations and make them a means of growth?

A communication received yesterday afternoon by Mr. Carl Dodds, Secretary of Chamber of Commerce, from Edward W. Hines, chairman Kentucky Council of Defense state that Mr. W. W. Ball, Jr., has been appointed chairman of the Mason County Council of Defense. The selection of Mr. Ball or this very important position will be approved by all patriotic citizens of the county.
